Prot. 1918
N. 1432

Prememoria

I.

Le teoriche ideate già dal Maffei ripetute col Zaccaria, e poste ultimamente nella maggior luce dall'immortale Marcelli, si sogliono oggidì esaminar le iscrizioni, non più unicamente rispetto all'erudizione, ma eziandio per ciò che s'aspetta allo stile di esse all'uso alla destinazione, ed all'età. Onde classificandole col nuovo metodo se ne agevola assaissimo l'intelligenza, e conoscendo per esempio le formole di venti lapidi, facilmente se ne ravvisano altre moltissime appartenenti alla stessa medesima, e formatasi una chiara idea dello stile d'un secolo si scopre la destinazione e il tempo in cui molt'altre furono nello stesso secolo incise. Non vuol negarsi che anche questo sistema soffre parecchie eccezioni, ma fattane con buon criterio ragione, la somma totale torna quasi sempre la stessa con diletto non lieve, e molto profitto degli studiosi. Dovendo quindi ordinare il Bresciano Museo parrebbemi che male non avvisarebbe chi disponesse tutte le lapidi che tuttavia sono in essere in sei classi cioè in lapidi Sacre, Storiche, pubbliche, onorarie, encomiastiche, e sepolcrali. A queste potrebbonsi per appendice aggiugnere le poche che rimangono de' tempi cristiani, e quei frammenti altresì da quali se non si può coglier buon frutto, può avvenire che giovino quando che sia a supplire qualche lapide mutilata che per avventura esca in luce, alla quale taluno di quei frammenti può avere appartenuto. Avverto però che trattenuta la classe, bisogna dare un ordine anche alle lapidi nella stessa classe comprese, perchè nelle sacre [illegible] deve dar

dar principio cogli dei maggiori o conservi, poi coi minori, coi locali o topici etc. Nelle storiche e pubbliche si procederà coll'ordine cronologico; Nelle onorarie, encomiastiche e sepolcrali non sarà male l'attenersi all'ordine alfabetico: a meno che non vieno di Augusti, di Cesari, o di Magistrati maggiori a quali dovrebbesi dare la precedenza.

Per meglio spiegare il mio divisamento classifico le iscrizioni disegnate in questo libro, come segue.

Epigrafi Sacre saranno segnate col numero. I.

Storiche. _ _ _ _ col numero II.

Pubbliche _ _ _ _ _ col numero III.

Onorarie _ _ _ _ _ col numero IV.

Encomiastiche _ _ _ col numero V.

Sepolcrali _ _ _ _ col numero VI.

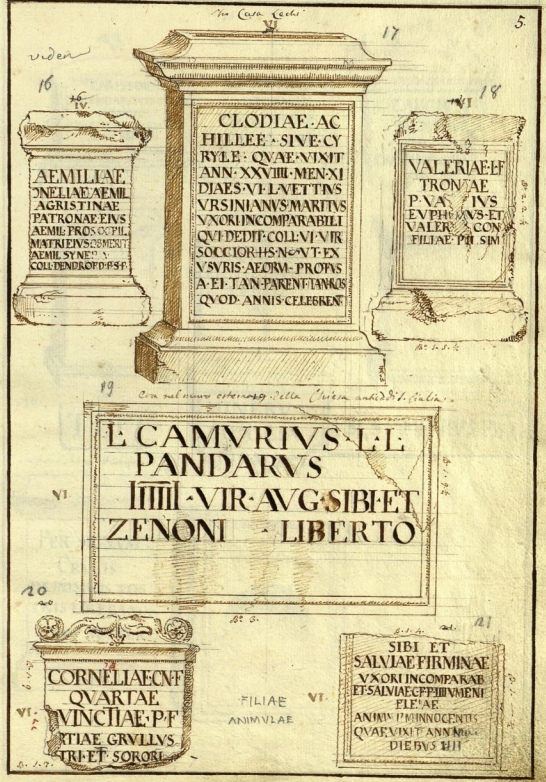

Cristiane _ _ _ _ col numero VII.

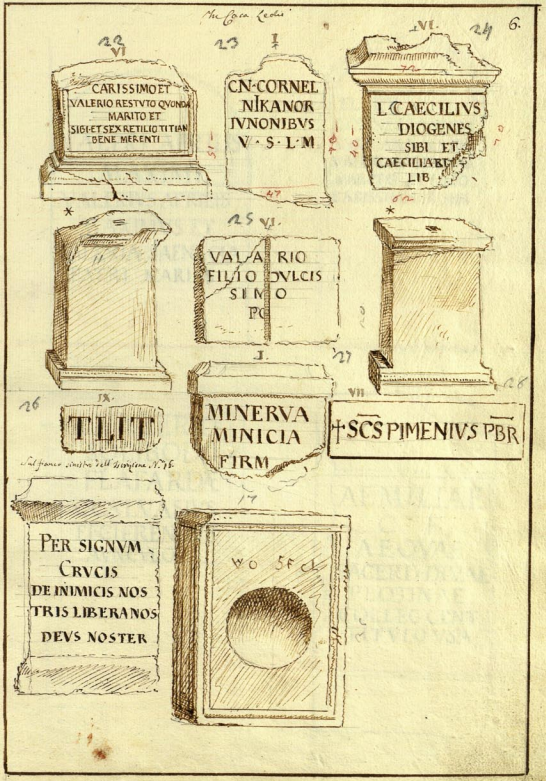

Ebraiche _ _ _ _ col numero VIII

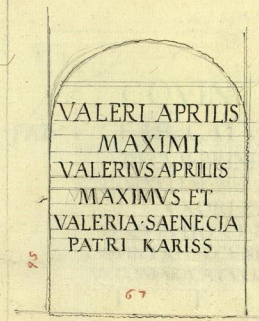

Frammenti _ _ _ _ col numero IX

Egregio Signore

Brescia 22 Settembre 83

Jeri due Vostre alle di Lei abitazioni
mie erano dirette, e giorni partirono per Breglia
onde colà dar parte stabile delle Famiglie
di mie Figlie, Le presente in iscritto
i miei rispetti, e Le rinovo vivissimi ringraziamenti
per tutte cui Ella ha fatto nella
bisogna in cui trovasi per mio riflesso del mio
avvocatissimo Fratello Sebastiano.

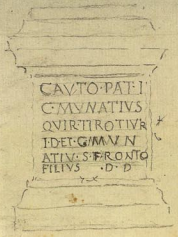

Domattina a quest'ora mi prendo
la libertà di spedire al mio Negozio di Lugano
di Ella medesima biglietto del mio polso Bolletta.

Le prego adunque di spedire i miei rispettosi
saluti e di tenermi sempre gradita contezza
gratitudine e riverenza stima, la sincerità
paterni sua

Di Lei

Obbligatissimo Dev.mo Servo
Egisto q. Gio V.o Gottini
